

HATTERAS 77C

The Hatteras 77 Convertible appeals to both cruisers and sportfishermen alike thanks to its award-winning design, monstrous interior volume, and globetrotting capability. With a 22-foot beam and incredible cockpit, the 77C provides a tournament-ready platform for anglers who frequent the offshore canyons or far-flung fishing destinations. The 192-square-foot cockpit offers two 65-inch fishboxes in the deck, as well as an optional in-transom box. The mezzanine level houses an additional 25 square feet of cushioned seating, as well as modular drop-in units that allow owners to customize the location of freezers, stowage tubs, and optional baitwells.

Cruisers will appreciate the luxurious bridge deck, spacious interior, and an accommodation plan that offers unmatched flexibility. The 77C features a luxurious 354-square-foot saloon and galley on a single level. Owners will enjoy an enormous L-shape sofa with rod storage beneath, a custom club chair, and a 50-inch plasma TV. The galley boasts a full-size upright refrigerator, plentiful stowage, and a wraparound bar with three stools and a large dinette. Below decks, the 77C has four staterooms, each with a private head, plus crew quarters. The full-beam master suite offers a level of comfort and adjustability unequalled within the industry.
