President  
Brunswick Boat Group

November 2, 2011

Dear Frank,

I want to officially congratulate you on Skyline Marina's successful completion of the Brunswick Certification program again. Becoming a Brunswick Ambassador dealer is a very distinct honor recognizing your outstanding dedication towards delivering a superior boating experience for our customers!

We applaud your commitment to customer service excellence and to leading product quality by representing our Hatteras and Sea Ray brands. Because our program is developed with the NMMA and MRAA, your leadership status is confirmed through both the industry Marine Five Star certification as well as the Brunswick Ambassador Dealer designation.

If you have any questions regarding Brunswick Dealer Certification, please call Kirsten Schuchardt, the Brunswick Dealer Advantage Marketing Specialist, at 877-462-3884.

Again, thank you for your commitment to Brunswick and your dedication to delivering the best possible boat ownership experience for your customers.

Kind Regards,
