Last year we won 2 out of 3 of the Montauk, NY Shark
Tournaments.

Montauk Marine Basin Tournament, 1st place overall
and 1st place largest Blue Shark which was 315lbs.

Star Island Mako/Thresher Tournament in August
2006. We caught the largest overall shark, 1st place with
a 467lb Thresher and we also took 2nd & 3rd place
because we had the only Thresher caught in the
tournament. The 467lb Thresher shark is also the new
Connecticut State Record!
