The Lake and Arrowhead Yacht Club are opening for the 2012 season Thursday, March 1st at 5pm and a joyous occasion it is! We will sponsor an open bar "happy hour" from 5pm to 6pm to celebrate. Please come and be my guest. The 2012 season will mark the 40th season for me on Grand Lake! I worked three summers on Grand Lake before 1972; however, in May of 1972 I graduated from college and permanently moved to Grand Lake and entered the marina and boat sales business. I have never been sorry and I am still thankful for my turn onto the road less traveled. It has made all the difference and I don't feel like I have worked a day in my life. Can't wait to go to work tomorrow morning and start this 40th season on GRAND LAKE!!!!(You haven't heard the last of this for the year)

Some new, some old, and a few puppy dog tails. We will be opening with a newly revised menu. We are staying with a menu of standard favorites along with a menu insert of NEW appetizers, salads, entrees and desserts. If some of the new items are really successful, and we will let the computer tell us, they may make it off the insert menu onto the standard. This process will take place every 4 to 6 weeks which will give us an ever-evolving menu. We are just getting started with this, however, so far I like it. What about you? The March Schedule is Thursday through Sunday; Thursday Chef Mark's ever popular "Pasta Action Station" will continue, Friday he will focus on a weekly "Fresh Seafood Specials", Friday and Saturday nights will also feature our famous "Prime Rib", Saturday lunches will start at 11am and Sunday Brunch returns from 10am to 2pm. The best TV's on Grand Lake will be on every weekend at Arrowhead featuring as many as 6 games at one time. The March Madness Basketball will be intense and it all climaxes on Monday, April 2nd with the championship game party at Hookers, AYC members welcome. The smartest and best elimination tournament the NCAA has ever come up with. Now the BCS and NCAA Division I football.....the OPPOSITE!!!! Saturday, March 17th is the St. Patrick's Day Celebration at the Club. We will have some Irish Specials and the entire ala Carte menu. (Thank goodness!) Not quite sure what that celebration is all about, except you can drink a lot and pinch girls if they have green on or not, and get away with it. Wonder if we should hang up the miseltoe too? It's green. (I think I would rather kiss all the girls instead of pinching them.)

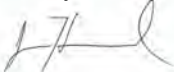

Saturday, March 24th at 6pm will be the platinum dinner for AYC members whose food and beverage purchases exceed \$3,000 in 2011.

At the Ships Store. DAILY NEW CLOTHING arrivals fresh from Sharon's shopping trips to Dallas and Las Vegas! The Sports Illustrated Swim Suit issue is out.....and really you just must have a new suit or 6 for the 2012 season! For the "Gear Heads" at the marina we will now feature Super Premium 93 Octane fuel along with 87, 91 and Low sulfur premium diesel. So let's get rolling and come get gassed up with fresh fuel at the Arrowhead Ship Store.
