Passenger Capacity 8 | Sleeping Capacity 4
Graphic – Custom

Specification measurements are approximate and subject to variance.

Speed changes you.™

There is no comparison to the 40 Outlaw. Its size and presence on the water turns heads. But heads must turn quickly because the 40's triple engine capability can get this boat speeding at up to 90 mph. The cockpit holds up to eight, and the cabin sleeps 4, but don't let the size or the speed fool you. This Outlaw's 40 feet of speed and technology slices through the water with perfect precision and control.

Baja
Speed changes you.™

STANDARD EQUIPMENT

HULL & DECK FEATURES

Bonding, Plexus w/Thru-Bolts
Bow & Stern Eyes, Stainless Steel – Thru-Bolted
Bow Rail, Aluminum – Thru-Bolted (White)
Cleats, 8" Pull-Up – Stainless Steel (6)
