280 Sundancer®

2001

Cockpit seating includes a portside aft-facing seat with fold-down sun pad and a foldaway aft bench. There's storage in the side panels, as well as a gas-assisted hatch that provides access to the engine. Note the stainless steel latch.

The portside lounge has a forward-facing backrest. It's a perfect place to relax and enjoy the sun and the breezes. Note the sliding window with screen that provides natural light and ventilation to the mid-stateroom below.

The helmsman enjoys a bucket slider seat with flip-up thigh-rise bolster for easy driving while sitting or standing. A wood-accent tilt-wheel with power-assisted steering and power tilt and trim allows easy piloting. The illuminated waterproof electronic switch pad has ISO symbols.

Another famous Sundancer makes a much-awaited appearance, and boaters everywhere cheer all 28 beautiful feet of her. The new Sea Ray 280 Sundancer is just the boat you've been waiting for. Beautiful. Sleek. Comfortable. With room to sleep six, she's just right for families who hate to leave the water when darkness falls. Standard power is a MerCruiser® 7.4L MPI Bravo® III stern drive.

The convenient galley has a sink, butane stove, refrigerator and microwave. Upper and lower faux cherrywood cabinets provide plenty of storage.

The V-berth serves as a comfortable seating area during the day. Add the filler cushions, and it sleeps two. A curtain ensures privacy. Shown with Interior Package A. Note the gunwale storage shelves.

The dinette with Corian® table top has storage beneath the seats. Add filler cushions, and it converts to a berth. Note the gunwale storage cabinet.
