SPECS PREMIER I GRAPHIC SHOWN

335 Performance: *Everything You Want*

The 335 Performance combines full-throttle power with large-cruiser luxury. An easy-to-manuever mid-size package gets you to your favorite destinations with ease, while ample amenities ensure you'll enjoy the ride. Features like split-throttle controls, a wider beam for superior handling, and a heavy-duty windshield for increased visibility and durability maximize your performance and safety out on the water. An expanded cockpit and larger head invite the whole crew. Innovative deck braces that eliminate bulkheads mean you can take the party overnight. Who says you can't have it all?
