CE Option

NOTE: Boats which are ordered with 220V/50 Cycle Electrical Systems will be installed with the appropriate appliances in the corresponding voltage.

Cabin/Cockpit Layout w/Salon/Dinette (Plan B)

300 Sundancer®

2002

The adjustable double helm bench easily seats two, and even three on demand. The curved windshield is framed by aluminum or you may opt for stainless steel. There's overhead lighting in the fiberglass sport spoiler.

Everything is close at hand in the convenient galley, including a refrigerator, recessed stove, microwave and voluminous storage.

The cabin is airy and full of light, thanks to the generous use of portlights and deck hatches for natural ventilation. A thoughtfully planned layout makes the most of the interior space.

Everyone needs a hideaway. A special place that's far from the deadline and the rush hour, not to mention the crowd. Presenting a very special place that's yours, and yours alone: the new Sea Ray 300 Sundancer. Take a long look at it. It's not too big. It's not too small. It's just right. So, whenever you want, you can take off in this boat and wallow in luxury all by yourself. Or you can invite some friends and have a sleepover for six.

The control station features a high-gloss burl instrument panel and abundant space for electronics. The burl-accented waterproof electronic switch pads have illuminated ISO symbols.

Filler cushions turn the lower cockpit seating into a large sun pad. Or you can replace the cushions with the cockpit table and enjoy dining al fresco.

The forward double berth has a hanging locker as well as a large and easily accessible storage area underneath. The TV/VCR/radio combo can be enjoyed from the forward berth and the salon. Or draw the concealed privacy curtain and have it all to yourself.
