# 310 Sundancer®

2002

There's plenty of room for family and friends with a custom adjustable helm seat, a double companion seat with aft-facing seat and aft bench seat. The wide swim platform has a stainless steel ladder concealed in the hatch.

The broad dash places everything in easy sight and reach, including illuminated weatherproof rocker switches, custom backlit instrumentation, tachometer with LCD hourmeter, compass, digital depth finder and VHF radio.

The dinette booth seats four for dinner and sleeps two overnight. Upper cabinets along the starboard side provide plenty of storage.

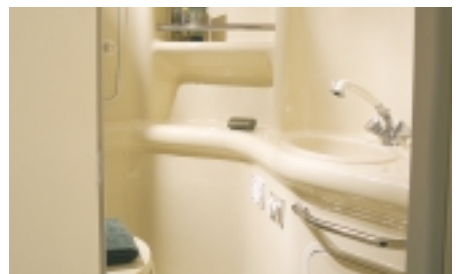

For the boater who seeks pure pleasure, the 310 Sundancer demonstrates beautifully why she is the cruiser of choice. Twin 5.0L MPI MerCruiser® Bravo® III stern drives take you to your favorite places in breathtaking style. With the companionable cockpit layout and a cabin that's been made even more spacious, you and your guests can extend indefinitely your hours of relaxation and luxurious comfort.

Faux granite countertops in the galley add to the feeling of luxury inherent throughout the cabin. The chef will appreciate the dual-voltage refrigerator, microwave, two-burner electric stove, and lots of drawer and cabinet storage.

The V-berth sleeps two comfortably on the built-in double bed with storage drawers below. At night, a privacy curtain ensures seclusion. The screened, lockable deck hatch admits light and fresh air.

The fully enclosed fiberglass stand-up head features a VacuFlush® toilet with holding tank, vanity and sink, shower with curtain and stainless steel handrail
