Three Stateroom Option

Awesome views and breathtaking design are the hallmarks of this luxurious Sport Yacht. They start on a soaring bridge deck that comes with all the latest equipment for easy navigation and on-water entertainment, and continue in a clean and contemporary interior that showcases panoramic windows and immaculate finish. The spacious cabin can sleep up to eight people with options, four of them in a pair of gorgeous stateroom suites. Reliable twin Cummins MerCruiser® QSC 600 diesel V-drives will take this floating resort wherever your heart desires.

Adjustable captain's and companion's chairs face a helm console with SmartCraft® diagnostics instruments and VesselView. Forward entertainment seating converts to a sun pad and is adjacent to a full wet bar with standard refrigerator.

A 26" flatscreen TV with actuating lift anchors an ultra-modern entertainment center that also includes a DVD player, MP3 and gaming system ports, and Sony® stereo with amplifier, subwoofer, and Sirius® satellite receiver.

The galley is a masterpiece of form and function, from its stainless-steel appliances — upright refrigerator/freezer and microwave/convection oven — to its solid-surface countertop with big sink and recessed two-burner stove.

The full-beam master features a queen island berth with innerspring mattress and an eight-panel backlit headboard. There's an end table and sofa, 20" flatscreen TV, and private head with tile flooring, accents, and a skylight.

Enjoy the VIP treatment in the forward guest stateroom with queen island berth, innerspring mattress, wood flooring, two cedar-lined hanging lockers, and 15" flatscreen TV. A second head here has a tile backsplash and floor.

Every seat is a window seat in the raised salon with Ultraleather™ dinette and sofa (which can sleep two with an optional conversion). Upgraded wood flooring adds an even higher level of richness to this sophisticated space.
