

# 300 Sundancer®

2004

The adjustable double helm bench easily seats two, and even three on demand. The curved windshield is framed by aluminum or you may opt for stainless steel. There's overhead lighting in the fiberglass sport spoiler.

The cabin is airy and full of light, thanks to the generous use of portlights and deck hatches for natural ventilation. A thoughtfully planned layout makes the most of the interior space.

Everything is close at hand in the convenient galley, including a refrigerator, recessed stove, microwave and voluminous storage.

Everyone needs a hideaway. A special place that's far from the deadline and the rush hour, not to mention the crowd. Presenting a very special place that's yours, and yours alone: the new Sea Ray 300 Sundancer. Take a long look at it. It's not too big. It's not too small. It's just right. So, whenever you want, you can take off in this boat and wallow in luxury all by yourself. Or you can invite some friends and have a sleepover for six.

The wide open cockpit allows easy mobility throughout, along with abundant seating with storage below.

The forward double berth has a hanging locker as well as a large and easily accessible storage area underneath. The optional TV/DVD combo can be enjoyed from the forward berth and the salon. Or draw the concealed privacy curtain and have it all to yourself.

The control station features a high-gloss burl instrument panel and abundant space for electronics. The burl-accented waterproof electronic switch pads have illuminated ISO symbols.
